<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )	
D.	Attendance Attendance for PP students is below current target of 97%

4. Desired outcomes ( <i>desired outcomes and how they will be measured</i> )		Success criteria
A.	Improved progress and attainment of High ability PP students	CoGs show significant progress when measure against all students over the year
B.	Improved rates of literacy (reading) for all PP students	Greater progress made by PP students against all students and a narrowing of the gap between reading ages for PP and N PP
C.	Improved progress 8 scores for Year 11 in 2018	CoGs show significant improvement in progress 8 when measure against all students over the year and narrows the gap between PP and non PP
D.	Significant improvement in PP attendance above all student progress.	Ensure gap between PP and Non PP student attendance is narrowed and that PP attendance is moving towards national comparators

1. Planned expenditure					
Academic year	• 2018-19				
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?

A	PIXL £3200	Impact of PIXL resources to promote 7-9 learning	Helen Bell to monitor application of resources within curriculum	H Bell	DC 1 2 3 4 5 Pulse programme in place. Independence work in place. Maths App as part of revision strategy All subjects using DTT and resources
