

## Liverpool Life Sciences UTC Provider Access Policy

### **Introduction**

This policy statement sets out the college's arrangements for managing the access of providers to pupils at the college for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997 and the Baker Clause 2018.

### **Pupil entitlement**

All pupils in Years 9-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

### **Management of provider access requests**

#### **Procedure –**

A provider wishing to request access should contact Lyndsay MacAulay, Director.  
Telephone: 0151 230 1320 Email: l.macaulay@lifesciencesutc.co.uk

#### **Opportunities for access –**

A number of events, integrated into the college careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers during our curriculum periods, during weekly assemblies, Parents' Evenings and our annual Careers Fair. Please speak to our Careers Leader to identify the most suitable opportunity for you.

#### **Premises and facilities –**

The UTC will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team. Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Learning Resource Centre. The Resource Centre is available to all students at lunch and break times.
