Virtual Work Experience Opportunities for Students

Over the coming weeks there are a number of online work experience days for students aged 14-18. Hosted live from the UK and watched across the world, students will learn about their future careers and take part in interactive sessions where they can gain some experience to help them in their university applications. (There is a cost to join these sessions)

- Psychology - Saturday 5th November 2022
- Business - Saturday 12th November 2022
- Architect - Saturday 19th November 2022
- Vet - Saturday 26th November 2022
- Law - Saturday 3rd December 2022
- Computer Science - Saturday 10th December 2022
- Medicine - Saturday 17th December 2022

INVESTIN

Parent Webinar: Future-Proofing Your Students

Join InvestIn for advice and guidance on how to equip your children with the tools they need to maximise their potential. This parent event will discuss:

- What a career looks like today and how you can best coach your children to navigate the ever-changing job market
- Why skills are becoming increasingly important and how to best support your child's development of these attributes to help them succeed
- Why gaining experience, in addition to knowledge, is essential to drive a career forward and how you can best encourage your children to engage with opportunities
- Wednesday 16th November 7:00pm

Register here to attend online:

The Parent Perspective Podcasts

"The Parent Perspective" is a podcast series for parents and carers, helping them to support their children with careers advice and guidance. It will:

- Explore which careers are available today
- Showcase the experiences of interesting and diverse role models
- Provide real-time insights into how the world of work is changing

Each episode, the host speaks to a diverse mix of parents, bringing their questions to expert speakers from the careers world. Together they uncover practical solutions and informative answers, to help you and your child make informed decisions on next steps.

New App: Be More – NEW Digital Platform

Be More has launched a new app that will connect local residents with employment and opportunities. The app will offer real-time updates on local vacancies, while artificial intelligence will help users write CVs and offer personalised recommendations on opportunities relevant to their areas of interest.
